

EAFIP WEBINAR

EVALUATION AND TESTING: TOOLS AND METHODOLOGIES

14 July 2022 - 10:00 – 11:30

A 90-minute webinar for European public buyers, suppliers and policy makers

In this 90-minute webinar we will discuss about good practices regarding evaluation and testing tools and methodologies in the context of Innovation Procurement. How to verify if solutions really tackle our needs? How to measure key performance indicators? Which tools and methodologies can help us achieve sustainability goals? Are there benchmarks and testing methods to validate innovative solutions? These and other questions will be addressed by experts. Participants will have the opportunity to ask questions before and during the webinar.
